

Placidus von Camerloher
(1718-1782)

4 Pieces for Mandora

(A-Metten, Monastery Library, Manuscript Mus.ms 4094)

Andante ex B
Allegro
Menuett
Trio

*Camerloher has written the music for a Mandora with a 6.course tuned up a third (F instead of D).
I have arranged the tablature for an instrument with a low D on 6.course. If you have a Mandora with its
6.course tuned up to F just ignore all the letters "d" on the lowest course and replace them by the letter "a".*
